## How to order your uniform

Purchase your school uniform as part of our Kindergarten Transition Promotion (October 25 to November 21 2021) with our pick and pack bundles on the QKR app and receive 15% discount included in the price.

Our Kindergarten Transition pick and pack service have moved online, using QKR app to purchase your child's uniform. We offer Summer uniform bundles, to make it easier for parents.

We have included all items that students will need for their first term of school, and consist of Girls and Boys packs. These packs do not cover winter uniform, and the offer timing will not be extended so please ensure you place your orders before the deadline.

We also attach a brochure for Dr Shoe, an affiliate of the P&C Uniform shop who offers quality shoes and a home fitting service. Please contact him directly via the details attached.

All orders must be placed using the free QKR! App and a credit card.

This allows us to use minimum contact trading as advised by COVID Safe NSW, as well as the convenience of shopping from home with a secure mobile app. This app is also used throughout your School journey for Canteen orders, P&C activities and events; as well as Uniform Shop.

Due to COVID requirements uniform packs will be sent home with siblings already at CPS (where possible), with all other pick-ups to be made during the 2 on-site Kindy Transition Days. We will communicate updates closer to the Kindergarten Transition dates.

Information on how to use QKR is on our school website as well in this brochure:

- Simply download QKR for FREE from Apple store or Google Play store and register (a Credit card is required to be registered for payment).
- Find Carlingford Public School – Uniform – Kindy Transition 2022

If you have any enquiries please contact the Uniform Shop at [cpspcuniformshop@gmail.com](mailto:cpspcuniformshop@gmail.com). Please allow us at least 48 hours to respond. Thank you.

## Choosing the right size

Here are some tips to help you measure your child and assist you in buying the correct school uniform size. Taking actual body measurements is more accurate than using age.

Once you have your child's measurements you can check our school uniform size charts to choose the right size.

Measurement shown on the sizing chart indicates the size of the garment, not the child. Shirts and tunics generally be 5-10cm larger on the chest/ bust. Please be aware manufacturers tolerances are + or – 1 to 2 cm.

### Shirts and Jacket:

Chest – Measure the chest at the fullest part placing the tape measure under the arms.

Length – Measure from the base of neck to the waist.

### Shorts and Skirts

Waist – Measure around the waist at the natural waistline. (smallest part)

Length – Measure from under belly button to desired length.

### Tunics/dress

Chest - Measure the chest at the fullest part placing the tape measure under the arms.

Length – Measure from the base of the neck to the middle of the knee.

### Hat

Measure from the back of your head bringing the ends together at the centre of forehead right above the eyebrows.

### Measuring garments

Chest – Measure around the fullest part of the chest

Body Length – the body length is measured from neck seam to the bottom of the shirt.
