

2016 School Canteen Volunteer Availability

The School Canteen is open on Monday, Tuesday and Friday and

WE NEED YOU.

The Canteen is an important part of the school. It provides a valuable service to both the students and teachers as well as enabling the P & C to provide additional resources to assist the whole school community.

The canteen needs volunteers to help prepare and serve food in order for it to operate. Volunteering in the canteen has a lot to offer. For you it is a chance to meet other parents and seeing the excitement in your child's face when they see you behind the counter is priceless. For the students they love seeing "their someone" behind the counter, it is a safe environment to practice handling money and it assists in developing independence and confidence.

The canteen is a healthy canteen that supports teaching kids about healthy eating.

I would love you to join the roster. Rosters are issued each term and I am very flexible and am able to accommodate individual requests, so if you would like to assist please complete the details below and return the form via your child's class or return to the office. Alternatively call into the canteen to discuss and see what's involved.

Thank you
