

Carlingford Public School P&C Association

What is the P&C?

...

The Parents and Citizens' Association (P&C) is an organisation made up of parents, teachers and interested citizens. They exist in most NSW Public Schools and they have been established to bring the school and the community closer together.

The P&C play an important role in:

- Encouraging parent participation in the school curriculum;
- Providing services, facilities and equipment for the school;
- Fostering communication between the school and the community.
- Providing support to parents as their children go through their education.

Why join?

...

Research has shown that both children and parents benefit from parental participation at school.

There are many skills and experiences that you as a parent have to offer that your school can benefit from.

What can I do?

...

How our school benefits

There are many resources that Government Funding and fees alone cannot provide for in schools. In recent years, the P&C contributed to:

- A band conductor, new music and equipment.
- Buses to take children to special events.
- Canteen and Uniform Shop services.
- Financial Support for Students selected to attend State Sports events.
- New shirts for sports representation.
- Funding to support new playground equipment and iPad's.
- Classroom technology.
- Funds for school yard beautification.

searching for supporters in the community or lending a hand at fund raising events or, you could help out in the School Canteen and Uniform Shop as your schedule allows.

We need your help to continue to service and support the school community.
