PRINCIPAL'S MESSAGE

CARLINGFORD PS DROUGHT RELIEF APPEAL

Well done to everyone today who supported our drought relief appeal by dressing up as a farmer or farm animal. There certainly were some great outfits on display today. All funds raised will go to NSW drought relief appeal to lend a hand to our struggling farmers.

P&C MEETING – FACILITY UPGRADE UPDATE

As was reported in previous newsletters Gridley Construction has been awarded the contract for our \$20 million facility upgrade. The upgrade, commencing in the upcoming September school holidays, will see the construction of a three storey building consisting of 20 classrooms, shared learning areas, a hall and COLA (covered learning area). The project is scheduled to be completed and operational by the end of 2019. The upgrade will enable the removal of the majority of our demountable classrooms, expanding our existing play areas for our students.

Grindley construction has agreed to give a 30 minute presentation on the project, next Monday evening (17 September) in the library commencing at 7:00pm. The meeting will precede our September P&C meeting.

All parents are invited to attend and there is no obligation to remain for the P&C meeting (although you are very welcome).

AFTER SCHOOL SAFETY

Please remind your children that if they are walking home alone, they are to go straight home and not have any 'detours' along the way. A number of students are stopping off at Edwin Ross Reserve (Cnr of Rickard & Keeler St) to play a game of soccer. A number of teachers have seen students run across the road (in front of cars) to retrieve the soccer ball.

Once children have arrived home, they may wish to return to the park accompanied by an adult.

There are several local parks nearby within walking distance that are suitable for after school gatherings. Some have play equipment, grassed areas for ball games, shade and fenced play spaces:

- 29A Talinga Street, access also from Rickard Street
- Kilpack Park, access from Carlingford Road and Darwin Street
- Loftus Square, Willoughby Street
- Corner of Post Office Street and Young Road

STAGE 1 EXCURSION – ROUSE HILL HOUSE AND FARM

Yesterday Year 1 visited Rouse Hill House and Farm. The property was once owned by the Rouse family 120 years ago and is now a museum of life on a farm 19th century farm. Our students had a wonderful day going back in time to 1889 and experienced first-hand what school was like long ago. Students dressed up in clothes from the era and participated in school activities such as writing on slates, maypole dancing and sewing. Students learned to salute the flag, sing the old national anthem and ring the school bell.

The weather was wonderful, making it a great day to explore the grounds of the farm. Our students learned what responsibilities children had on the farm in 1889, including milking the cows, feeding chickens, pumping water and hanging washing. Students learnt how children were hired as housekeepers or stable boys by the Rouse family and started working busy and physical jobs at a young age – very different from today! It was great experience for our students to see how different their lives would have been had they been born 120 years earlier. Well done to Year 1 for being respectful and responsible throughout the day and representing our school so well. Year 2 students (and 1/2N) will attend the excursion in week 10, on Tuesday 25 September.

JUMP ROPE FOR HEART

Jump Rope for Heart kicks off this term! Jump Rope for Heart is a fantastic physical activity and fundraising program that has been run by the Heart Foundation for 35 years. It's a great way for your child to keep fit and learn new skills, but it also helps raise funds for vital heart research and education programs. Since Jump Rope for Heart started in 1983, schools like ours have raised more than \$75 million for the Heart Foundation's lifesaving work.

It's important you register your child online, so they can receive the full benefits of the program and participate in online fundraising, simply follow the link below to get started.

https://jumprope.heartfoundation.org.au/2018/Carlingford_Public_School_-_CARLINGFORD_NSW_-_137554

Students will be skipping throughout the term in PE lessons; during this time you can share their online fundraising page with family and friends to help raise money for this great cause. We will hold our school 'Jump Off Day' tomorrow. This will mark the end of the program and is a chance for everyone to come together to skip and show off their newly learned skills.

Thank you for supporting the Jump Rope for Heart program!

TELL THEM FROM ME – PARENT SURVEY

This Term, our school will be participating in the *Partners in Learning* parent survey, another part of the *Tell Them From Me* suite of surveys (student, teacher and parent surveys) on student engagement. The survey asks parents and carers questions about different factors that are known to impact on student wellbeing and engagement. Running this survey will help our school understand parents' and carers' perspectives on their child's experience at school.

These include: communication between parents/carers and staff, activities and practices at home and parent/carer views on the school's support of learning and behaviour. This valuable feedback will help our school make practical improvements.

The survey is conducted entirely online on smartphones, iPads, tablets, laptops or computers. The survey will typically take 15 minutes or less to complete and is completely confidential. The parent survey will be conducted between 26 August and 27 October, though participating in the survey is entirely voluntary, your responses are very much appreciated.

Information about the survey is available at: <http://surveys.cese.nsw.gov.au/>

The link to the survey is <https://nsw.tellthemfromme.com/carlo18>

EXTRA! EXTRA! READ ALL ABOUT IT!

This week saw our Garden Club make headlines in the Northern District Times as our kitchen garden program was featured in the local newspaper. We are incredibly proud of this achievement and want to thank the students and the community for helping us grow this learning space for everyone to enjoy.

A big thank you to our parent helper Lerisca for her tireless work in the garden! We are lucky to have such great support.

This week we also invited more students to join the kitchen garden classes. We have had over 30 students registering for kitchen classes which is amazing considering we only started with 6 students.

Thank you to the parents who have donated items towards our kitchen. We are running our kitchen classes every fortnight with the students cooking and preparing the meals.

This Friday we are also having our market day stall. Come by and support our kitchen garden by purchasing some fresh produce or seedlings.
