NEW NEWSLETTER FORMAT

We have ceased producing the Newsletter in this format. Our news has moved to a new platform for our news updates to provide greater accessibility. This includes language translation and features for visual and hearing impaired readers within our school community. This update reflects the Department's policy on accessibility.

The website can be translated in approximately 100 languages by selecting the drop down menu located on the home page (pictured below).

You can access the latest news and event details on the school website

<https://carlingfor-p.schools.nsw.gov.au/>

All upcoming dates will be published as events on the website which you can download directly into your personal calendar on your chosen device.

Relevant news stories will be published each Wednesday on the website. We encourage you to explore the new school website and all its features including links to Sentral and the building upgrade.
