

When to wear which type of school uniform

Full School Uniform

Students are expected to wear their full school uniform on all days except on specific days determined by the School.

Sports Uniform

Students are expected to wear their sports uniform on the day of the week on which their stage does sport. This may vary from stage to stage and students will be advised of their day by their teacher when they start school. Sports uniform is also generally worn on days where students will be involved in sport in a major way e.g. for sports carnivals or special sports events. Parents will be advised of these through the school website and Dojo or on the permission slip for the event.

Summer & Winter Change Over

As a general rule, Summer Uniform is worn in Term 1 and Term 4 and Winter Uniform is worn in Term 2 and Term 3. However, these times may modify if extreme temperature changes occur close to the changeover period.

PLEASE clearly write your child's name on all items of clothing that they are likely to remove at school. Also other items like school bags, lunch box, and drink bottles. When the weather conditions are changeable students often lose unlabelled jackets and hats as they take them off.
